

**GETTING TO KNOW YOU**

1. What opens the “tear taps” for you? What makes you unavoidably emotional?

**WORLDVIEW**

2. Is there place for pragmatic decision making in a Christian’s life, or should they always be decidedly principled/biblical? Does pragmatism lie at odds with principled decision making?

3. Where do you go for advice and instruction in major life decisions?

**GOING DEEPER**

4. Is self-pity a choice—conscious or unconscious? Is it ever beneficial?

5. Is bitterness a choice? What is the remedy for it?

6. What is your experience of “the silent treatment” —both as recipient and instigator? How would you like to handle the situation that gave rise to this shutdown now?
